**Cheshire Art Gallery is delighted to welcome you to our premiere exhibition.**

We are honoured to bring you some amazing artwork from our gallery artists, some of which has been created specifically to celebrate our first exhibition.

Thanks to these great artists, and the excellent art they produce, our first year in the gallery has been successful and has exceeded all of our expectations. It is our pleasure to continue working directly with the artists featured in this exhibition to bring you fresh and exciting works of art.

Whilst you may be familiar with many of the artists we have on display in the exhibition, we would like to take this opportunity to introduce Mark Demstader, who is the latest artist to join us. Mark is a very successful, internationally renowned artist and is widely regarded as one of the UK's best figurative artists. The way he captures the female form gives the perception of them almost breathing, in turn bringing them to life right out of the canvas. It is completely understandable why Mark has earned his enviable reputation.

Purchasing a painting can be a very personal, emotional and euphoric experience, sharing the joy of our clients is truly humbling. Over the past year we are very proud to have housed exquisite works into collectors homes throughout the country and we look forward to continuing to do so for many years to come.

We would like to extend our sincere thanks to all of our customers over the past 12 months and we look forward to your visit and the opportunity to show you our exhibition.
